

## Section 8 Housing Choice Voucher Application Instructions

You may apply for a Section 8 voucher at any Colorado Division of Housing contractor using this [application](#). Please select DOH Contractors from the Topics section of the [Rental Assistance](#) page to access this application.

Please contact the Housing agency or agencies where you want to live. Ask if the housing agency is accepting applications at this time. If so, tell the agency that you have an application you want to submit. You will need to deliver, mail, or fax the completed application to the agency.

Please print this [application](#) and complete it to the best of your ability. You must complete every section or your application may not be accepted.

You must sign and date your application before submitting it to a Housing agency.

Please remember that all of the information you include on this application must be true and verifiable, or you will not qualify for a position on the agency's waiting list. If the information you submit is later found to be untrue, you can lose your housing voucher.

If you have any further questions, please contact your local housing agency.
